THE POSTAL WORKER'S HUMAN RELATIONS FUND

Is a charitable organization whose principal purpose is:

"To ensure that Postal Employees can get help when they need it"

Each year postal employees contribute generously through the Combined Federal Campaign to charitable organizations of their choice. We urge each of you to continue to do so but to remember that there is only one that puts your needs first.

THE POSTAL WORKER'S HUMAN RELATIONS FUND was established, not to detract from other charitable organizations, but to put more emphasis on the needs of POSTAL families. This fund has assisted all categories of employees, (letter carriers, mail handlers, clerks, rural, supervisors, etc.).

The only funds that we receive from CFC or United Way are the ones that a contributor **DESIGNATES** to go to us. Our agency is listed on your voluntary agency list. **YOU WILL HAVE TO PUT OUR AGENCY NUMBER "38490"** in one of the boxes on your pledge card. We have one of the lowest administrative cost and none of our officers receive a salary.

When the **KEYPERSON** for your unit comes to you for your CFC pledge, remember, **THE POSTAL WORKER'S HUMAN RELATIONS FUND** was established for you. Give a fair share and designate to **the only organization established solely to better meet your needs in the event of a disaster in your life.**

**CONTRIBUTE TO THOSE WHO PUT YOU FIRST
